

The National Camping Award has been discontinued by National and replaced by the BSA National Outdoor Challenge Award. The Willamette District will continue awarding the ribbons to units who complete the 10 or more days and nights of camping and turn in the paperwork until or supply of ribbons is exhausted.

Our Camping Log

Requirements

The National Camping Award is designed to recognize troops who go camping during the year. Your troop may qualify in two categories as you begin to expand your camping program: yearly and cumulative.

Record-keeping procedures: At least 50 percent of your troop must attend resident camp. On other campouts, at least 33 percent of your Scouts must be in attendance for each twenty-four-hour period to count as a camper day to qualify for the troop ribbons. A record is kept by your troop of the number of days camped each year. Your unit commissioner or district camping chairman may approve the application for recognition, which can be secured at your council service center.

Individual Scouts and Scouters may qualify for the cumulative patch by participating in campouts with their families, patrols, or other groups.

Suggestions

1. Show a camp promotion video or slide presentation.
2. Plan the outline of your outdoor program for the next twelve months by referring to *Woods Wisdom, Troop Program Features*, No. 34308, through the patrol leaders' council with the advice and support of the troop committee.
3. Check your plan carefully with the Council Planning Calendar of Scouting events and the schedule of school, public, and religious holidays in your community.
4. Use *Tours and Expeditions*, No. 33737, as a guide for planning and executing tour camps or long trips.
5. Take advantage of local council assistance in camping such as movies, slides, videos, equipment, and training helps.
